

MINUTES TO THE JULY MEDICAL PARALIBRARIAN MEETING

The July meeting of the Medical Paralibrarians met at Denison Library on the UCHSC campus. In attendance were James Honour of National Jewish, Lynda Redman of Children's, Marsha Reynolds of St. Josephs, and from Denison – Helen White, Carole Hirschfield, Wanda Weathersby, Wendy Sarutzski, Mary Mauch, Nell Able and Tina Drew.

Lynda Redman was pleased to announce that we are now a part of CCML and will have a web page on the CCML website. Our meeting dates and places will be on the CCML web page, our minutes posted, and. we have been given \$50 of seed money to begin with. We can request more as we grow to pay for guest speakers, refreshments, and other items.

Lynda also presented a proposal for a Web page including a mission statement and a definition of who we are. She asked for any changes we would want to make. The group voted unanimously to accept her suggestions and for Lynda to be the contact person.

Suggestions were taken for future meetings. Among those were to ask Rick Forsman to talk about the future of libraries, and Joyce Congdon to tell about her experience at evidence based medicine conferences and classes, or we could discuss how the various jobs are handled at each library.

The next meeting will be at St.Joseph's on Tuesday, Oct. 21st, from 12-1:30 and the Jan. meeting may be at Lutheran.

Carole Hirschfield led the group on a short tour of the library and the meeting was adjourned.

Respectfully submitted,
