

The Paralibrarians SIG had their first meeting of 2004, January 21st, at Exempla Lutheran Medical Center. The meeting served as a forum for interlibrary loan and library circulation issues that interested attendees. Finally a delicious cheesecake was carved up for dessert and Karen Wells, the Librarian, lead a tour of the Exempla Lutheran Health Resources Library. Thanks Karen!

Members put the annual meeting of CCML on their calendars and plan to attend in April!
