

Summary of Medical Paralibrarians' Meeting 7/14/05

Fifteen people attended the meeting at 11:30 a.m. We had several new faces in the group and after lunch, attended to announcements and business. Stephanie Weldon, Reference Librarian at Denison Memorial Library guided us on a tour of PubMed and showed us the "My NCBI" feature for personalizing searches and use. Thanks Stephanie for that terrific presentation! The paralibrarians from Denison Memorial Library volunteered to host the next meeting in October.

Respectfully Submitted,
