

CCML Medical Paralibrarian SIG, November Meeting,
11/5/07.

Thirteen people attended the 11:30 a.m. meeting at the University of Colorado Health Sciences Library on the Anschutz Campus, including our tour guide, Pat Nelson. Pat is the Planning and Projects Librarian of the new, state of the art Health Sciences Library. She led our group on a tour of the facility while providing fascinating details of our move from Denison Library to the new location. Pat also entertained us with many anecdotes on little known facts about the new facility.

At the meeting, three members discussed the inclusion of public library paraprofessionals in the CCML Medical Paralibrarian SIG. The remaining members will be contacted by email vote to decide on the change.

Addie Fletcher, from Denver Medical Library, will speak on RSS Feeds at our next meeting in February. This will be a great opportunity for those who have never used RSS Feeds, or “been meaning to,” but haven’t had the time.

Respectfully submitted by,
Debra Miller
