Business Meeting Agenda (9:30–10:00 AM)

1. Approval of minutes (email) - The April 2025 meeting minutes were automatically approved because no revisions or edits were offered.
2. Board Updates
 - a. Our Library champion award - The 2025 CCML Library Champion Award was presented over the summer to Dr. Mike Pascoe in recognition of his support for the Strauss Health Sciences Library and the medical library community.
 - b. Call for November meeting committee
 - i. A call was issued for volunteers to assist with the November CCML planning committee. Members interested in hosting, coordinating logistics, or presenting are encouraged to reach out to the Board.
 - c. Board updates
 - i. The Board is developing a meeting planning task force checklist and feedback process, which will allow each host group to follow the checklist and provide feedback following their event to support future planning and documentation.
 - ii. The Board is also working to streamline future member meetings using a new planning checklist to guide logistics, communications, and minutes for the Board.
3. Treasurer's Report
 - a. Joe Richard reported ongoing processor errors affecting Chase card payments for membership renewals. Although some transactions display an incorrect business name ("Colorado Council of Churches"), payments continue to route correctly to CCML.
 - b. After today, members will need to manually renew through the membership portal, and renewals will be considered late if not completed.
 - c. Summer Event Expenses: CCML's summer gathering expenses were reflected in the current fiscal year's expense report, as the event was held in July.
4. General Announcements from Membership
 - a. Ashley Meisenheimer has joined Regis as the new Health Specialty Librarian.

Presentation and Interactive Activity (10:00–11:15 AM))

Speaker: Dr. Mike Pascoe

Dr. Pascoe led an engaging session highlighting innovations in medical education and collaboration with health sciences librarians, and how we can utilize the power of Wikipedia for publishing and scholarly communication. The interactive activity encouraged reflection on how library partnerships enhance instructional design and learner engagement.

Bio Break (11:15–11:30 AM)

Attendees took a brief break.

Presentation: Rare Materials at the Strauss Health Sciences Library (11:30–12:00 PM)

Presenter: Tina Drew

Tina Drew provided an insightful overview of rare and historical materials in the Strauss collection, including the *De Humani Corporis Fabric Libri Septem* by Andreas Vesalius, emphasizing their significance to Colorado's medical heritage and their growing role in research and educational outreach.

Adjournment

The meeting concluded at 12:00 PM. Members expressed gratitude to the Strauss Health Sciences Library for hosting and to Dr. Pascoe and Tina Drew for their engaging presentations.
